

Custom sizes available

Edbak Proscreen

We know how important it is to maintain health and safety at work during this difficult time. That is why to meet the needs of clients, Edbak have created a new product, Edbak Proscreen.

Edbak Proscreen Plexi:

Plexi size (HxWxD)
100cm x 75cm x 4mm

Plexi size (HxWxD)
50cm x 75cm x 4mm

For large orders, plexi size and thickness can be customized

Two desk mounts options:

Desk Mount

Freestanding Mount

The plexi can be mounted vertically or horizontally, handles can be ordered without the plexi

The Edbak Proscreen is perfect for Hospitals / Doctors Surgeries / Supermarkets / Shops and hundreds of different applications where our key workers might be of risk of infection. This can also provide a well needed revenue stream to resellers and integrators at this time.

Where it can be used:

Hospitals

Supermarkets

Doctors surgeries

Offices

Petrol Stations

Factories

Schools

Pharmacies

Key Benefits:

Increases Hygiene

Protects against direct contact

Safe, transparent plexi

Easy cleaning

Edbak ProClean

In view of the changes taking place, EDBAK decided to ensure safety in public spaces by introducing a new series of ProClean products for hand sanitation. The timeless design and robust construction allow it to fit into any environment: offices, schools, shopping centres and hotels. ProClean is available in two versions: free-standing and wall-mounted, and in two colours: metallic and white.
